OCBF University Pathways

How top-up Bachelor's & Master's Program work

Online College of Business & Finance has created a pathway program that puts students on a fast-track to a university qualification. After completing our online diplomas awarded by UK awarding bodies, students become eligible to finish their top up bachelor's and Master's in universities all around the world.

Study in Your Own Country & Graduate in USA, Australian, European and Canadian Universities :

Students may be interested in continuing their studies in institutions outside of the UK. Our diplomas are accepted worldwide, and our qualified students may apply to any Australian, European and North American universities.

UK

Australia

Europe

USA

For more information regarding specific progression routes,

Please check our website www.ocbf.co.uk

Bachelor's Degree:

Our online Bachelor's degree program is a convenient and affordable pathway for interested students to finish their undergraduate degree. Multiple course options are available for students to pursue and complete their bachelor's degree from a Top UK university in a budget and schedule that fits their lifestyle.

Completion of level 4 & 5 of the extended diploma issued by UK

awarding bodies, allows students to get admission in the 3rd year of bachelor's program at a majority of UK universities. Additionally, universities across the world recognise advance qualification from UK.

Upon completion of the level 4 & 5 Extended Diploma, interested students have the option to further their education by either enrolling in a top up Bachelor's program at an accredited UK University or continue with level 6 diploma at OCBF. Students can choose between in-person or distance learning, the associated costs will vary based on mode of instruction.

Course Requirements

For entry into the Top Up Bachelor's program, students should enrol and complete level 4 & 5 Extended Diploma with OCBF, then proceed to Year 3 of an undergraduate degree program at a University of their choice.

Alternatively, students wishing to enrol in level 6 diploma (Bachelor's Equivalent) at OCBF must have completed level 4 & 5 Extended Diploma from OCBF, hold a Foundation Degree in a relative field, or hold an equivalent diploma from a qualified awarding body such as OTHM, ATHE, Edexcel, ABE, NCC.

Students with professional qualifications up to level 5 such as AIA, IFA, ACCA, or CIMA, will also be considered for this course. Learners with professional work experience can ask for that to be considered during the application process.

International students with Higher Diplomas or degrees from their own country will be considered.

Master's Degree:

Online College of Business and Finance provides an opportunity for students across the globe to complete their Master's degree online at an accredited UK university. Our programs are accessible from anywhere in the world and are designed to fit the budget and busy schedule of our professional students.

The Level 7 Diploma is an MBA Advanced Entry course, which equips students with 120 credits

of the 180 credits required to achieve a complete MBA. This postgraduate course at level 7 allows students to finish their MBA in six months. The top up portion will usually consist of the final 60 credits of either, a dissertation, or a dissertation and one module.

Upon completion of the Post Graduate Diploma, interested students may further their education by enrolling in a top up MBA program at an accredited UK university. Students will have the option of finishing their degree either online or in person at campus. The associated costs will vary based on the mode of instruction.

Course Requirements

Prerequisites for this program are a Level 6 Diploma from qualified awarding bodies such as OTHM, ATHE, Edexcel, ABE, NCCor an undergraduate degree or equivalent.

Other qualifications such as Higher National Diplomas (HNDs) and Foundation degrees, supported by several years of relevant post-qualification experience in responsible posts, may also be acceptable. applicants are usually working at a professional level.

In addition, students with professional qualifications such as AIA, IFA, ACCA, or CIMA will also be considered for this course.

Students with relevant work experience can ask for that to be taken into consideration during the application process. International students with Higher Education Diplomas or degrees from their own countries will be considered.

Comprehensive Education Pathway

If students do not meet the prerequisites for entry into Bachelor's or Master's top up programs OCBF also offers an alternative education pathway beginning from Level 1 diploma to Level 7 diploma leading to Bachelor's & Master degree programs. If you are an international student and would like to learn more about this pathway, please contact us.
